

CHILDREN & YOUNG PEOPLE'S BEREAVEMENT SERVICE

We understand how difficult it can be for children and young people when they experience the death of someone they love.

St Luke's Children & Young People's Bereavement Service offers a safe and supportive space for those aged 5-16 who have experienced the death of someone who was under the care of St Luke's. Our experienced and compassionate team can help children and young people express their feelings and make sense of their loss.

If you're supporting a bereaved child or young person and would like to find out more about how we can help, please get in touch with our team.
