

Festive Fundraising

Join businesses across Sheffield this December!

This festive season, bring your colleagues together and make a real difference for local families by taking part in Festive Fundraising for St Luke's Hospice. Whether you're running a desk decoration competition, taking part in Christmas jumper day or organising a mince pie-filled coffee morning every penny you raise will help St Luke's continue providing compassionate care and support to people across Sheffield affected by terminal illness.

Scan the QR code and simply fill out the registration form, set up your JustGiving page, and get festive!
