Christmas Market Volunteer

Date: Sunday 6 December 2026
Time: 10am – 5pm
Location: St Luke's Hospice, Ecclesall Road South, Sheffield

Join us for the very first St Luke's Christmas Market, a brand-new addition to our Festival of Light celebrations as we mark our 55th anniversary year.

The Christmas Market will take place throughout the day and will feature a range of festive stalls, seasonal food and drink vendors, entertainment and family friendly activities. We're looking for friendly and enthusiastic volunteers to help create a welcoming experience for the many visitors expected to attend.

As a Christmas Market Volunteer, your role may include welcoming visitors, providing information, assisting with wayfinding, supporting stallholders, helping with activities, monitoring collection points and providing general event support to ensure the market runs smoothly.

This is a great opportunity to be part of a festive community event, meet new people and help raise awareness and funds for St Luke's Hospice. Full guidance and support will be provided by St Luke's staff and event organisers on the day.

Please note this role supports the Christmas Market daytime event only. If you would prefer to volunteer at the Festival of Light evening event, please see the separate Festival of Light Volunteer role. Volunteers are welcome to attend the other part of the day's celebrations as visitors before or after their shift.

By volunteering at the Christmas Market, you'll help create a fun and festive experience for our community while supporting the vital work of St Luke's Hospice. Thank you!
