

PATIENT TRANSPORT SERVICE

Our new minibus transport partnership with SCCCC is a free service that can help you attend clinic appointments at our Little Common Lane site, or social prescribing sessions at our Ecclesall Road South site.

Our transport service operates Monday to Friday, 9am-4pm, and will pick you up and drop you off at your home.

Do I have to pay?

We do not charge for this service but donations to our charity are welcome. If you would like to donate to the charity, please speak to the driver or a member of our clinical team to find out more.

 Call SCCCC on 0114 250 5290
(choose Option 1)

PATIENT TRANSPORT SERVICE

Where possible, we ask patients and relatives to use their own transport when attending appointments or sessions, but we understand that this isn't always possible.

If you are unable to make your own way to St Luke's, please speak with your clinician or our Ecclesall Road South site Reception team, who will arrange transport for you. The team will discuss your needs with you and complete a referral form on your behalf, including any specific requirements, such as mobility aids, access to the property, and medications you may require.

Please note:

- Transport is offered for one day a week*
- We need a minimum of 1 week's notice to organise transport.
- To cancel or change a booking, please contact the team at SCCC by calling 0114 250 5290 and choose option 1.

**If you would like to attend St Luke's Ecclesall Road South site more days than one and don't have your own transport, please speak to our Reception team about how to apply for the Sheffield Community Transport service, which provides an accessible door to door service.*
